HAPPY

new year

Happy New Year! While we're already well into January, we'd like to take a moment to wish everyone a fantastic year ahead. Here's to a successful and productive 2025 for all!

Staff Updates

We're excited to welcome back Alex Buttsworth, who is joining us for the Townsville project—great to have you on board, Alex!

We hope everyone had a fantastic break over the holidays.

Project Updates

On the work front, we're continuing to make progress on our Townsville project and recently completed a quick job at Merriwa with Warner. A big thanks to Ryan and Corey for their hard work on getting that done efficiently. Additionally, our project with CMC in Tweed is progressing well and keeping us busy. We have just been awarded more work with SGQ at Mt Mee - more details to come.

Thank you all for your ongoing efforts and dedication as we kick off another year of exciting projects. Here's to a safe and successful start to 2025!

DAD JOKE OF THE MONTH

How do you find Will Smith in the snow?

Look for the "Fresh Prints."

Safety Tip of the Month: Stay Hydrated in the Heat!

With summer in full swing and a heatwave upon us, staying hydrated is more important than ever.

Remember to:

- Drink water regularly throughout the day, even if you're not feeling thirsty.
- Avoid excessive caffeine or sugary drinks, as they can contribute to dehydration.
- Take regular breaks in shaded or cool areas to help your body stay cool.

Let's beat the heat and stay safe out there! ☀️💧

We're excited to announce the launch of our 2025 Photo Competition! Fresh year, fresh start – and we're looking forward to seeing your best snaps from the field.

Here's how it works:

Entries are open now and will be judged twice – mid-year and at the end of the year.

Prizes are up for grabs for the most creative, impressive, or downright hilarious photos that showcase the work we do.

So, get snapping and send in your photos to be part of the fun! Make sure to upload to the **WhatsApp RD General** group chat. Let's capture some great moments! 📷📸

Air BnB Accommodation

As we navigate the busy summer season, we'd like to remind everyone of the importance of keeping our company-provided accommodations, especially Airbnb properties, clean and tidy. Please ensure that you clean up after yourself and leave the property in excellent condition for the next occupant.

Some things to remember:

Follow the house rules specific to each property.

Clean up any personal areas, including removing food items from fridges or cupboards before leaving.

Properly dispose of all rubbish and keep the property well-maintained during your stay.

Maintaining high standards ensures we can continue using these accommodations and keeps things pleasant for everyone.

Thank you for your cooperation!

HELP SUPPORT OUR CHARITY GOLF DAY

 Join Us for Our Charity Golf Day!

We're excited to invite you to be part of our upcoming Charity Golf Day – a cause that's close to our hearts.

As you may know, this event supports Mater Little Miracles, a foundation that helped our family through challenging times when Rex was born prematurely at 29 weeks. Thanks to their incredible care, he's thriving today, and this is our way of giving back to help other families in need.

We'd love it if you could get a team together and join us for what promises to be an amazing day of networking, community spirit, and of course, some great golf!

 When: 28th March

 Where: Wynnnum Golf Club

Let's make this event one to remember. Whether you're a seasoned golfer or just in it for the laughs, it's all about having fun and supporting a fantastic cause.

If you're keen, reach out to [Tiane](#) or [click here](#) to donate or get your team registered. Can't wait to see you there!
